MGA and LGA 6-6-6 Tournament on Saturday, July 10th

This event is open to only Farm d'Allie members who have joined the MGA or LGA. There is a \$60 entry fee plus cart fee. The reverse Shotgun start at 8:00 AM. To join the MGA or LGA, you must be a Farm d'Allie Golf Club member, have a USGA GHIN handicap and be a MGA or LGA member. Dues are \$25 per year. For more information contact the Pro Shop.

It's hot out there and dehydration is no laughing matter. The best drink for hydration is water and you are encouraged to carry lots of it in your cart or in your golf bag. If your body is showing signs of dehydration, then a sports drink with electrolytes is a better alternative. Signs of heat exhaustion may include dizziness or light-headedness, headache, blurred vision or trouble focusing, increased fatigue, muscle and joint ache, and confusion. Heat stroke is much more serious and symptoms may include all of the above and a lack of sweating, rapid breathing and/or heart rate and head throb. Heat stroke requires immediate attention including cooling the body immediately. Hydration is the name of the game, and if you are not well hydrated, it's game over. Get your round off to a great start by drinking a bottle of water and consuming water throughout the round. Then enjoy your favorite beverages in the clubhouse!

Come join the Wednesday Night Twilight Scramble! The Scramble features 9 holes of golf. The format will be Two, Three, Four or Five Person Scramble depending on the number of Players. This is an opportunity to enjoy golf with members and guests alike. For more information and to sign up, contact the Pro Shop.
