

March 30, 2020

Once again, I hope this finds you all safe and healthy. Back in January, when I started here, I would never have dreamt our world would be facing such volatile times, but I remain confident we will prevail because of you and our golfing community. Please remember to tip. Our staff is working hard in a difficult time and are grateful for your tips.

We have had a successful week with our Members and Walk-Ins respecting social distancing. Things like keeping everybody out of the Clubhouse and limiting one person per cart has allowed us to stay open. The vast majority of feedback has been positive, though. The police have been by several times to check that we are abiding by the policies and they've given us a thumbs up.

Our staff has been working very hard to keep a good system in place and we were able to open our Range on Thursday. Baskets of range balls are to be picked up at the Clubhouse Check-in window. Both baskets and balls are sanitized after daily pick up.

The cups have been raised on the greens so please refrain from touching the flag or the cup. If your ball hits the cup it is considered in the hole.

TO GO ORDERS

Please call in your "TO GO" orders ahead of time and use a credit card for payment- (337) 886-2227 ext. 2 You will find a menu on your golf cart to assist you with this. Don't forget that we have Ice Bags for your cold beverages. We can have those ready for you when you make the turn at the Clubhouse.

TEE TIMES FOR WALK-INS

Please book your tee times on the phone (337)886- 2227 ext. 1 and pay over the phone with a credit card.

As said time and again, please respect the six-foot policy of social distancing but enjoy your game of golf and this wonderful weather, too.

Thank you and stay safe.
